

ASEFYLS LEADERSHIP CAPACITY IN SOCIETY BUILDINGS 5.0

How can YOUth lead for the next stage of Society?

Join youth from Asian & European countries this year for a funded Capacity Building programme: to learn, train, and act on "**Leadership in Society 5.0**" from July to December 2024, including an in-person **Training in China or Hungary!**

The ASEF Young Leaders Summit (ASEFYLS) Capacity Building Programme is your opportunity to...

- **Learn!** Receive training on Leadership and Society 5.0, from leading institutions and thematic experts
- **Network!** Meet like-minded youth from all across Asia & Europe and build up your network for future partnerships & collaborations
- **Explore China or Hungary!** Experience and learn more about local perspectives on the incorporation of technology in Society 5.0, in Beijing and Hangzhou, China or Budapest, Hungary
- **Contribute!** Disseminate knowledge on Society 5.0 and promote Asia-Europe exchange by bringing back your newly gained knowledge to your local communities by organising events/activities
